

The Regional Health Authority of Galician Autonomous Community (Spain)

This is to nominate

Laboratory: Laboratory P3 of "Complejo Hospitalario Universitario de Santiago de Compostela"

and of the participants of de project: D.Juan García Costa and D. Benito Regueiro García

as national participant of the ENIVD project with regard to infectious agents of **level 3**.

This participation will include proper support to the Community Network for the epidemiological surveillance and control of communicable diseases in compliance with the requirements as defined in Decision nº 2119/98/EC. The information flow will be guaranteed via the structures and/or public health authorities designated according to Article 9 of that decision.

Santiago de Compostela, 2th July 2004

THE REGIONAL HEALTH AUTHORITY OF GALICIAN AUTONOMOUS
COMMUNITY

Signed: José María Hernández Cochón

Mr Coordinator of European Network for Diagnostics of "Imported" Viral Diseases (ENIVD)
